

About QGS Training Institute Private Limited

QGS Training Institute Private Limited (QGS) is an organization formed by experts in Quality, Environmental and Safety Systems with the aim of promoting Quality Culture in the country. The Company consists of diverse and multi disciplinary technical experts trained in Management Systems by leading European training organizations.

Single most important objective of the Company is the improvement of Business Effectiveness and the Profitability in the Industry.

QGS is presently providing Training and Consultancy services to the leading Industrial Houses in the country and abroad. In addition to Lead Auditor training Courses, Awareness programmes for top & middle management, Documentation writing workshops, Internal Audit training programmes and Statistical Techniques application programmes are being conducted regularly.

The company also offers consultancy and training courses for Quality Management Systems to ISO 9001, ISO/TS 16949, Environmental Management Systems to ISO 14001 and Occupational Health & Safety Management System to OHSAS 18001. Lead Auditor Courses on ISO 14001 duly approved from EARA are conducted regularly. On demand, In-house Lead Auditor Training for ISO 9001, ISO 14001 and OHSAS 18001 are provided.

Pre-Assessments are carried out as part of consultancy assignments and on request from companies for ascertaining their readiness for their Systems Certification. Post Registration, maintenance of systems services are also provided.

QGS is sole franchisee of International Environmental Rating System (IERS®), the Best Benchmarking Rating on Environmental performance developed by International Loss Control Institute, Atlanta, USA. India's leading companies are already working towards it.

OUR GOAL IS TO GROW THROUGH THE SUCCESS OF OUR CLIENTS

Introduction

In pursuit of the worldwide movement of 'World Class Quality', companies throughout the world have adopted ISO 9001 to satisfy customer's needs on continual basis and achieve excellence in their operations and reduce costs. The adoption of ISO 9001 Quality Management Systems has also been viewed as an important tool to Total Quality Management (TQM). With growing competition in the National and International markets it has become an important task to meet these challenges in a cost-effective manner.

QGS provides cost effective practical training programme that delivers optimal outcomes. Our earlier Lead Auditor Courses received overwhelming response. Many participating organizations have sent queries and confirmed participation for further courses. This has encouraged us to have an early next series of Lead Auditor Courses.

Objectives: To provide participants with the knowledge and skills to audit Quality Management System. Provides an in-depth knowledge of Quality Management Systems against requirements of ISO 9001:2008.

The Curriculum

NABET approved Lead Auditor Training Courses are conducted by the renowned Quality Management Consultants, who are registered with National Accreditation Board for Education and Training (NABET) / IRCA.

Through formal presentations, case studies and workshops, the course would cover the detailed requirements of ISO 9001:2008 and focus on development of skills, for conducting a Quality management Systems audit. The course also helps in understanding how an effective Quality Management System Works.

Duration: 5 days

Course Timings: 0830h to 1900h (40 hours of Training)

Who should take this course?

This course is essential for personnel of those organisations who have implemented or are in the process of implementing ISO 9001 / those who carry out / plan to carry out second party/third party audits. **Delegates are expected to have some understanding of the content, application and**

implementation of the ISO 9001. No prior knowledge may lead unsuccessful completion as gaps in the knowledge may not be filled.

Contents

- A detailed analysis of ISO 9001:2008 Quality Management System
- Understanding of Eight QMS Principles
- Review of types of quality documentation
- Audit programme, checklist preparation, practical auditing and assessment techniques, Audit / Non-conformity reports and categorization
- National and International Registration Schemes for Auditors of Quality Management Systems

Investment

Rs. 18,000/- per participant **plus applicable Service Tax**
(Includes Course material and Lunch, Morning & Afternoon refreshments)

Please note that the course is offered on NON-RESIDENTIAL basis.

Course Certificate

Successful completion of the course and the examination means participant satisfies the training part of the requirements for NABET / IRCA Certification a QMS Auditor. Certificates of successful completion shall be valid for three years for the purposes of auditor certification to NABET / IRCA.

A certificate of Attendance would be issued to other participants.
